

Fast, Temporary Relief From Oral Pain

NEW

1.5 oz. Tube

HURRICAINE®

Topical Anesthetic Gel
20% Benzocaine Oral Anesthetic

BENEFITS

- No artificial dyes
- Get a more accurate dose
- Helps eliminate cross-contamination
- Fast onset – within 30 seconds

IDEAL APPLICATIONS

- Sore mouth and throat
- Prior to local anesthetic placement
- On denture sores
- Relief of oral lesions, prosthetics, orthodontic appliances and various dental procedure discomforts

HurriCaine® Topical Anesthetic Gel is now available in a 1.5 oz. tube! This new gel tube will help you get a more accurate dose and will decrease the risk of cross-contamination, helping your patients feel more comfortable during their procedures.
